

California Indian Manpower Consortium, Inc. NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the California Indian Manpower Consortium will conduct a Virtual Public Hearing at **2:00pm**, on **April 21, 2021** via Zoom to consider the following item:

SUBJECT:

POTENTIAL PROGRAM(S) FOR INCLUSION IN THE STATE COMMUNITY DEVELOPMENT BLOCK GRANT CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT (CDBG-CV) APPLICATION – California Indian Manpower Consortium will consider potential CDBG-CV programs and provide direction for staff to prepare an application in response to the release of the Notice of Funding Availability (NOFA) for CDBG-CV funds for COVID-19 related activities that benefit low- and moderate-income residents.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in response to the impacts of the COVID-19 pandemic. The State Department of Housing and Community Development (HCD) will be publishing a Notice of Funding Availability (NOFA) for Community Development block Grant Coronavirus Aid, Relief, and Economic Security (CDBG-CV2 and CV3 funds). Eligible cities and counties may submit applications for CDBG-CV funds under the upcoming NOFA. It is estimated that California Indian Manpower Consortium will be eligible to receive funds based on a formula allocation provided by HCD.

Eligible activities paid for with State CDBG funds must meet one of the three National Objectives listed in CDBG Federal Statutes as follows: benefit to low-income households or persons (also called Low/Mod Benefit), slum and blight (addressing physical problems in specific neighborhoods) or meeting urgent community development need (a need resulting from a state or federal declared disaster or posing unforeseen risks to health and safety). In addition, eligible activities must be used directly to prevent, prepare for or respond to COVID-19 and meet CDBG requirements as provided and directed by HCD in the published NOFA and outlines in their plan as follows:

- Public services to respond to COVID-19 impacts
- Public facility improvements to increase capacity for healthcare facilities and improve public facility safety
- Housing facilities for persons experiencing homelessness, including acquisition and rehabilitation
- Economic development to support needs of local businesses to retain and bring back jobs impacted by COVID-19

California Indian Manpower Consortium anticipates submitting two applications under this NOFA, when released: Public services to respond to COVID-19 impacts and Economic development to support needs of local businesses to retain and bring back jobs impacted by COVID-19. California Indian
