

# CIMC EDUCATION RECOVERY PROJECT

Receive  
**Tutoring**  
Help

## ABOUT THE PROGRAM

The goal of the project is to increase succession in school and help youth achieve graduation into the next grade level through an online education platform providing online courses, tutoring services, and GED services to improve their grades in subjects they are having difficulty with, learn at a grade level that is respective to their age group and/or obtain a GED. Preference will be given to Native American individuals.
