## WHO ARE WE?

CIMC Tribal Business Services, LLC (TBS) is a for-profit subsidiary of California Indian Manpower Consortium, Inc. (CIMC). TBS was established to provide professional services and serve as a consulting business to aid Tribal communities and organizations.

As a subsidiary of CIMC, TBS brings more than thirty years of experience working with and providing employment, training, social and economic development services for Tribal communities.

TBS seeks to provide professional economic development services to assist American Indian Tribes and organizations in developing funding strategies and enhancing opportunities for public/private partnerships that will lead to greater economic vitality.
